SAFETY & SANITARY GUIDELINES

SCHOOL ADMINISTRATION

Dear Parent,

We will be following all suggested guidelines from the CDC, State/Federal/Local Government, and the Archdioceses of Miami.

- Capacity is limited
- Parents will not be allowed in the building.
- Only drop off and Pick up.
- Touch-free thermometer temperature test will be done every day for children and staff.
- It is strongly recommended for students to bring their own water bottles.
- Children must bring a mask or face shield (the school will provide it, if you need it, for an additional cost).
- Staff will be using gloves and masks at all times.
- Sanitation of school will be done every day hourly.
- Children will have a regular routine to wash hands before and after class and in set time periods.
- All our Staff has been COVID 19 tested.

We look forward to seeing you this summer!
